Senior Students and Parents/Guardians,

I hope this message finds you well. Meniffee County High School is dedicated to the health and well being of all students. We are following Federal, State and Local guidelines to protect each and every student. All planned school events, trips and athletic games/practices are cancelled until lifted by guidelines.

We know that graduation and prom are two important celebrations to you, your families and to our school community. We will do all we can do to support all students. We will make every effort to provide prom, senior awards and graduation ceremonies, however it may be at later dates.

To protect students, the senior trip has been cancelled. We are in the preliminary process of working with local, state agencies and the trip company for refunds for the senior trip. We appreciate everyone's patience.

Our goal is for all seniors to achieve their diploma, graduate and be successful. We have an amazing Senior Class that have achieved great things. Seniors, make every effort to complete your class assignments. Contact your teacher or MCHS admin team for help during this time. We celebrate you, your resolve and perseverance in these uncertain times.

The link below is to a video produced by Jostens to address the current circumstances affecting everyone right now. Look for this video and reflections on the Student School Google Classroom:
